

ABSTRACT OF THE DISCLOSURE

A beaded fashion accessory designed in a variety of lengths, such as 1", 2", 6", 12" and 18".

The beads may be strung on a thread or string in a straight line, or a combination of straight lines

5 or woven into a pattern. They are then applied to the body in a variety of ways as a fashion statement. They are held in place with temporary adhesive. The beaded accessory can be used on any part of the body, such as, but not limited to, the eyelids, cheeks, face, chest, arms, legs, torso, buttocks, etc. of the user. An alternate version of invention may include webbed designs or appliques that may be fabric, beaded, woven, or other patterned pieces that are applied to the
10 skin with a removable adhesive.
